

THE READING CARRIAGE SALE – WEDNESDAY 7th MAY 2008

LATE & SUBSTITUTED ENTRIES AS AT 2nd MAY 2008

CARRIAGES

- 28 FOUR-WHEELED SCURRY VEHICLE to suit a 11 to 12-2 hh pair; painted blue. Used in pony pair scurry competitions and in need of repainting. To be sold with a pole
- 43 HEARSE built by Clayton Carriage Masters of Northampton in 2005 to suit a pair or team, 15 to 17 hh; smartly finished in black, with gold lining, black seating and gold tassels to the interior. With polished wood to the base, chrome rails and fittings, disc brakes and team pole and bars. An attractive reproduction with canoe shaped body and etched glass, with an extra seat to the top of the body for additional grooms and attendants
- 54 PLEASURE DRIVING PHAETON built by John Marson of Swansea in 1992 to suit a small pair, Shetland to 12 hh; painted black with brown leatherette cushions. Similar to a scurry vehicle, with a higher seat and seating for four people, and in need of some attention; to be sold with a pole
- 92 GOVERNESS CAR by Maythorne of Biggleswade to suit 11-2 hh; in need of repainting

SETS OF HARNESS

- 289 Set of black/patent/brass PAIR harness to fit 12-2 to 14-2 hh, with breastcollars
- 290 Set of pony PAIR harness by *Zilco*; new and unused, only tried on the ponies
- 291 Set of good quality brown/brass harness to fit 11-2 hh by *Champion & Wilton*, with 16½" collar and hames, and double stitched traces
- 292 Set of black/patent/brass harness with 23" collar
- 293 A similar lot, with whitmetal fittings
