CONTRACTORS PLANT AND EQUIPMENT - READING AUCTION THURSDAY 7th FEBRUARY 2019

A very busy start to the year, with the weather in our favour. At present the signs remain positive despite a few questioning where Brexit might leave exports. Not the largest crowd but a strong trade none the less. A further package from Speedy creating the usual interest. Plenty of ready for work machines selling at a premium, with a 94% clearance and 60% going to sunnier climes. Plenty of auctions in the pipeline so keep an eye on the website for further details.
