The Reading Carriage Sale – Wednesday 3rd July 2019

As of 1st July 2019

N.B. A 'V' before the lot number denotes the item is subject to VAT

- 28 EXERCISE/COMPETITION CART built by Dartmoor Carriages to suit 12.2 to 13.2 hh; painted green with black leather seat, and a back step.
- 29 LONDON TROLLEY to suit 13 to 14 hh. Painted dark blue with red, light blue and cream decorations. The undercarriage is painted red with cream lining on pneumatic wheels and fitted with a footbrake. Comes with shafts.
- 30 WAGONETTE built by Delorme Carrossier of St Flour as commissioned by Monsieur R. Vallette of Toulaire, Cantal, France, this information being on two brass plaques attached to the main carriage frame. The wheels need complete restoration or replacement, the carriage has all steelwork and is basically complete regarding bodywork etc. A charming restoration project in waiting.
- 31 MINIATURE LONDON TROLLEY finished in natural varnished wood, on a red undercarriage with pneumatic tyres. Sign written Peter Balio, Fruitere with fruit decorations.
- 32 DOG CART to suit a pony; with stained dark brown panels with louvres to the rear, and black ironwork. On metal wheels with disc brakes and semi-elliptic springs. Fitted with lamp brackets and rear reflectors
- 33 DOG CART to suit a single or pair; with stained wooden panels to the body and black metalwork. Fitted with back to back seating accessed via a drop-down rear panel. The undercarriage is painted yellow with green lining on English pattern wheels, elliptic springs and brass hub caps engraved with a maker's name May & ?? from Guildford. Fitted with a handbrake, lamp brackets, mud guards and metal steps. Comes with shafts and a pole.
- 34/35 No Lots
- 36 WAGONETTE built by Fahrsporkontor, Wuppertal, Germany to suit a pair of 15.2 hh plus. Here you have a beautifully made carriage, made by the famous coach builders in Germany, where attention to detail has been the key, this vehicle just oozes in quality and style. This carriage has had little use, mainly been used for picnic drives, village fetes and 2 weddings. It's extremely comfortable to drive and gives the passengers a very smooth journey, it has disc brakes and lights and indicators which run off a leisure battery. It has always been stored in a barn, whoever buys this will not be disappointed.
- 37 BRADFORD CART to suit 13 to 14.2 hh. Decorated in green and cream. Ready to work.
- 38 BENNINGTON EXERCISE CART to suit 12.2 hh, with adjustable shafts, parabolic springs and a small wicker basket
- 39 BATESON HORSE BOX to carry two horses
- 40 FOUR-WHEEL CARRIAGE finished in natural varnished wood with removable canvas hood
- 41 WAGONETTE built by Glinkowski of Poland circa 1980's to suit 14.2 to 17hh. The body and undercarriage is painted dark blue with red wheels and semi-elliptic springs. Cream vinyl upholstery for 6 passengers at the rear and two in the front. Comes with shafts. A useable vehicle but requiring some attention
- 42 FOUR-WHEEL CUMBERLAND CARRIAGE

- 43 TWO-WHEEL EXERCISE CART to suit 14 to 15 hh; painted black with burgundy upholstery. With adjustable shafts. A smart vehicle but in need of some attention

SETS OF HARNESS

- 103 Full black/brass set of cart horse harness with brown lining, complete with 24/25ins collar with pad, breeching and reins
- 135 Complete set of single harness
- 155 Set of black patent PAIR breastcollar harness with brass fittings to fit 14.2 to 15.2hh by *Huskissons of Walsall*; as new
